

WESTON LEADER

VOLUME 42

WESTON, OREGON, FRIDAY, APRIL 30, 1920

NUMBER 48

OREGON NEWS NOTES OF GENERAL INTEREST

Principal Events of the Week Briefly Sketched for Infor- mation of Our Readers.

Smallpox has again broken out at Brownsville.

Registration for the coming primaries is the heaviest Umatilla county has ever had.

Willamette university girls defeated Pacific university co-eds in debate Friday night.

It is predicted that the Oregon strawberry crop this year will be one-third larger than ever before.

Albany's quota of \$10,000 worth of stock in the Linn County Fair association has been subscribed.

The annual meeting of the Ohio association of the Rogue River valley was held at Medford Saturday.

Hood River citizens plan during the next two weeks to raise \$4400 for religious and charitable purposes.

A total of 1920 real estate dealers in Oregon have obtained licenses through the state insurance department.

C. L. Howell, a rancher, was killed instantly when his auto overturned on the road south of Klamath Falls.

Almost the entire Postal Telegraph line between Roseburg and Eugene will be rebuilt this spring and summer.

Three peppermint distilling plants are to be erected in the near future and joining the mint fields east of Brooks.

Work will soon be started by the state highway department in paving the road between Marshfield and Coquille.

The Bend Commercial club will have charge of the entertainment of the 500 delegates to the state grange, which meets there June 1.

Improvement work in Portland amounting to \$3,366,048.55 is already under way and will be completed before the end of the summer season.

As a result of a visit to Roseburg by the superintendent of Eugene schools it is stated that seven Roseburg teachers will teach at Eugene next winter.

William Farre of Burns was named by Governor Olcott as county judge of Harney county to succeed Judge H. C. Levina, who died in Portland recently.

Canners at Hood River are making eager bids for strawberries at 16 cents a pound field run and furnishing crates. This nets growers \$2.88 per crate.

"OVER THE HILL"

Mr. and Mrs. C. O. Whiteman and children of Walla Walla and Will Ryder of North Yakima were Sunday guests at the home of Mr. and Mrs. H. H. Hill.

Hiram Knight is pouring concrete for the basement and foundation of A. H. McIntyre's new residence to be built at the corner of Third and Current street.

Mrs. David Taylor went to Walla Walla yesterday, in company with Mrs. George Gerking, to seek medical advice. She has been in ill health for several months.

B. F. Swaggart, well known stock raiser of Morrow county, was in town this week. He disposed of several thoroughbred jacks in the county before returning home.

Crushed rock from the Athena quarry and hot stuff from the local plant is being used in repairing the hard surface of the state highway that was damaged by the floods of last winter, near Havana and Saxe Station.

N. E. Durgan and wife and Kenneth Durgan were guests Monday at the Melville Johns home near town. The Durgans are cousins of Mr. Johns and are en route by auto from Vancouver, Wash., to Pomeroy, where they will reside.

Mr. and Mrs. E. A. Dudley returned the first of the week from a visit with their son Max, near La Crosse, and daughter, Mrs. Herman Kirk, whose husband is also farming in Washington, and left yesterday for California. They will stay several weeks, returning by automobile with Mr. and Mrs. Victor McDonald, of Walla Walla.

Recent floods in Wild Horse creek, made necessary extra work for the county in making excavations for the abutments of the new concrete bridge to span the stream on lower Third street. Excavations formerly made were filled with silt and rubbish from the flood waters and the channel was considerably widened when the banks of the stream caved off.

Petitions for letters of administration with will attached in the matter of the estate of the late Jackson Nelson, Athena pioneer, were filed in the probate court yesterday by Lee Johnson, principal creditor of the estate, and by W. R. Taylor and T. D. Taylor, sons of the late David Taylor, who was executor of the will. A contest for the right to administer the will is regarded as probable.

ELECTION, MAY 21 STATE ROADS

Vote 302 X Yes For 4% State Road Bond Limit

BALLOT TITLE IS AS FOLLOWS:

302 X Yes

303 No

CONSTITUTIONAL AMENDMENT—Referred to the people by the Legislature.

ARTICLE XI OF THE CONSTITUTION OF THE STATE OF OREGON, as amended, shall read: "The purpose of this amendment is to amend Section 7 of Article XI of the Constitution of the State of Oregon, as amended, to permit the creation of debt and the issuance of bonds for the purpose of building and maintaining permanent roads in the State of Oregon, instead of two percent as now provided by law."

NO PROPERTY TAX—NO DIRECT TAX

NO INCREASE IN AUTO LICENSE FEES

NO INCREASE OF GASOLINE TAX

Keep these three facts in mind. The present auto license fees and gasoline tax will pay both the principal and interest on all the bonds under this amendment, and will yield an annual surplus besides for other state highway work. No additional taxation of any kind.

FEDERAL FUNDS MUST BE MATCHED

Oregon must have sufficient Highway Funds to match Federal apportionments or Oregon cannot get the benefit of Federal money for Oregon Roads. Increasing this constitutional limit is a necessity. Unless limit is increased, either state roads cannot be completed for many, many years, or must be finished by direct property taxation. This measure averts direct property tax for state highways and makes early completion possible. Let's get the roads built now.

Income from Present Sources Sufficient to Pay Principal and Interest.

The fact that revenues from auto license fees and gasoline tax, without increase of present rates, will be ample to pay both principal and interest on these bonds, is clearly set forth by official figures in the State Pamphlet, mailed to every registered voter. Refer to State Pamphlet for verification. Examine the table carefully. It proves that no property tax is required and that present rates for auto license fees and gas tax will reduce principal and interest and yield surplus bonds.

For Interest Tables, Pamphlets or Further Information, write to:

OREGON ROADS AND DEVELOPMENT ASSOCIATION

W. L. THOMPSON, President, 215 East 9th, Portland, Oreg.

C. C. CHURCH, Chairman Executive Committee, R. 1, Ashland, Oreg.

Campaign Headquarters, 311 Webster Building, Portland, Oregon

VOTE 302 X YES—For 4% State Road Bond Limit

PROGRAM OF THE FIFTEENTH ANNUAL MEETING OF THE UMATILLA BAPTIST ASSOCIATION, WESTON, MAY 7-8-9

FRIDAY MORNING

10:30—Opening Devotion.....J. C. Pritchett, Freewater

7:30—Special Music.....Mrs. M. G. Bentley, Freewater

8:00—Evangelistic Sermon.....Rev. M. G. Bentley, Freewater

In Closing—Consecration Service.....New Moderator

WESTON SCHOOLS

The first grade room is enjoying the phonograph this week.

Hardy and Lillian Olson, recent young arrivals from Walla Walla, have entered the first grade.

Pupils of the third grade are much interested in the study of Rosa Bonheur's celebrated picture, "The Horse Fair."

Returning from Portland, Lois Saling has entered the sixth grade.

The sophomores have lately finished the French classic, "La Poudre Aux Yeux," and are selling their books to the freshmen. The former are taking up another classic, "Huit Contes Choisis," by Maupassant.

The sturdy young athletes of Weston High walked away with the recent track meet at Athena, the total points being: Weston 47, Athena 21. Eugene Smith was the star of the meet, scoring 17 points for Weston.

Worth Watts was a close second with 14. Leonard Bullfinch took seven, Paul Hopkins three, Theodore Walden one, and the relay team five. The Athena grades won handily with 104. Adams was second with 52 and Weston third with 26. The Weston grades were lacking in practice.

The high school ball team crosses bats with Helix today on the local grounds.

The winners of the track meet in Athena will go to Pendleton Saturday, the first of May, for the inter-district meet.

See Jessie Davis or Theodore Walden now if you want a copy of the high school annual, "Westonia." The books will be published the 17th of May and are on sale for one dollar.

The baccalaureate sermon will be given the evening of Sunday, May 16, by Dr. Penrose, president of Whitman college. The commencement exercises will be held May 19 in Memorial hall.

Successful Operation.

Jack Eliot, electrician for the Preston-Shaffer Milling company, has returned from Portland, where he was successfully operated on for removal of a goitre. The growth was entirely removed and Mr. Eliot feels no ill effects from the operation, but to the contrary, his general health has been greatly benefited.

"Qualified by technical training."

Vote for Rhea Luper, republican nomination for public service commissioner. Adv.

U. S. IS OFFERED ARMENIAN MANDATE

Council to Ask Wilson to Arbitrate Boundaries of New Republic.

San Remo.—The supreme council decided to ask President Wilson to arbitrate the boundaries of the new republic of Armenia. The council awarded a mandate for Mesopotamia and Palestine to Great Britain and a mandate for Syria to France.

The supreme council also has sent a formal request to President Wilson that the United States government take the mandate for Armenia.

There seems to be division on the part of the council as to whether the region of Erzerum and its vicinity should be included in the territory of the Armenian republic. The Turkish nationalists are strongly claiming Erzerum for themselves.

In placing Palestine under a British mandate the council established within the ancient limits of the Holy Land what is called, "the national home of the Jews."

The terms of the mandate protect the national rights of Jewish citizens of other countries. That is to say, a Jew of American, British, French or other nationality may retain his nationality, although he is also a citizen of the state of Palestine. The rights of Arabs also are protected, there being 600,000 in Palestine, and 100,000 Jews.
